

# Reviewing the MSDS

The following information is found on all MSDSs:

- Hazardous ingredients and exposure limits
- Required Personal Protective Equipment (PPE)
- Fire, explosion and reactivity hazards
- Regulatory reporting requirements
- First Aid procedures
- Exposure symptoms: Chemical Routes of Entry
- Manufacturer
- Chemical characteristics
- Disposal methods
- Spill or leak procedures
- Transportation data
- Product name
- Incompatibilities
- Health hazards
- Precautions for safe handling, storage and use

**In case of an emergency, refer to the MSDS, and have a copy of the MSDS available for emergency respondents.**
